## Mattapoisett Road Race

from Race Director Bob Simmons

Another 4th of July Road Race has come and gone with a lot of pleasant memories for all those who took part.

The day dawned great with that hazy sun over the harbor to find the Road Race workers already out and setting up equipment. There is always that "frenzy" about that time when you think of so many things and people who have to do so much to make the race safe and successful. It really scares you!!

As usual my fears were laid to rest with the smooth functioning of the Race Committee and their myriad of friends (workers). It's tough to be a committee person's friend because sooner or later that arm will be put on you!

This year was the 14th running of this race

viewed on American Cablesystems Channel 8 on July 11th at 8 p.m. American Cablesystems was a strong supporter in this year's race.

A new touch was added this year with Al Sears setting up a radio command post at the final line and getting the progress reports on the air with his amateur radio operators doing the calling in. It kept the crowd well posted as to who was in the lead and also of any mishaps along the route.

With the success of this race the money raised will go to seven area high schools. This year there were two $100. scholarships given to 7 area high schools (one to a boy and one to a girl). The recipients are chosen

by the coaches and athletic directors of that school. The schools wich received the scholarships were Wareham, Old Rochester Regional, Fairhaven, New Bedford, Greater New Bedford Regional Voke, Bishop Stang and Dartmouth High Schools.

This year the committee has set up a special scholarship at Old Rochester Regional with two $300. scholarships, one from the Mattapoisett Inn and the other from Seaport Pharmacy in recognition of the large number of area residents who support this race. The other scholarships will be increased as well with the same format of selection being used.

Comments from the runners were very positive. Many had the comment that this is the best start and finish of any race around, because of Shipyard Park. Even when it's stifling everywhere else there's always a breeze here. The course itself was excellent with plenty of water all over the place. A super job by a lot of people!

An awful lot of thanks are in order to a large number of people. The police were most helpful with Chief Moran and his men and motorcycles (donated) doing a great job. Manny Nunes and the highway crew for their fine job. The E.M.T.s did a real good job especially at the end of the race where their skills were needed and several physicians who ran in the race.

The town selectmen again were there to lend their support to the event. John DeCosta presented the winner, Jerry King, the selectmen's trophy, almost as tall as he is. Jim Huntoon, the running selectman, presented the police trophy plus the flowers from Hawthorne Mattapoisett to Nancy Cullinane. Marc Goddu of the Mattapoisett Inn made his presentation to the two overall winners of a magnum of fine champagne. Selectman Frank Suzan made the presentation to Mark Coogan for the first Mattapoisett resident trophy.

Many thanks go to many people. Charlie Prefontaine and his Seaport Pharmacy was turned into "race headquarters" and was may right hand man. Bob Caswell and his wife Joanne who served on the committee and did so many other things. Bob Gardner who with his wife Doris were a huge help in spite of

alarm superintendent, both spoke in favor of the installation on the road leading into the Industrial Park off North Street.

On the subject of poles, Kelley informed the board and Ms. Parker that there are "at least three poles that need to be removed throughout the town. Two are in front of the fire station on Route 6 and Barstow Street, and the other is at Route 6 and Mattapoisett Neck Road", said Kelley.

Selectmen Chairman John N. DeCosta asked Kelley to compile a list of poles he feels should be removed and submit it to the board; the board will then forward it to Ms. Parker. The telephone company representative said she would be happy to do what she could when she knows just which poles need to be removed.

MATTAPOISETT SELECTMEN'S MEETING
July 3, 1984 - by Virginia Arral

CONCERNS AT CRESCENT BEACH

Mrs. Rebecca McCullough, president of the Crescent Beach Association, and John Egan, association member, met with Selectmen to discuss several problems in the private beach area.

"The first concern", asked Mrs. McCullough, "is when will the sand, which has been placed on the newly tarred road, be removed?" Chairman John N. DeCosta and Selectman Frank M. Suzan agreed it would be from one to two weeks. They noted that because of the weather the tar has taken longer than expected to cure.

A second concern was for the speeding on Angelica Avenue. DeCosta said Police Chief James Moran has been contacted and has assured the board he will put a radar control on the road. Egan expressed concern because of the many children crossing the road during the summer months.

A third item was a request for two signs designating where Prospect Road and Angelica Avenue meet. Mrs. McCullough said the association realized the side roads are private ones (and they want to keep them that way), but they would like to have signs where they are missing. She noted a recent incident when an ambulance driver could not find a certain road because there was no sign.

Chairman DeCosta commented that many signs are put up but are taken for college dormitories. He said he believed every college

in New England had a Ned's Point Road sign.

Suzan said the road signs cost about $50. each and that the highway department has a limited budget for this purpose. The board recommended the association members get in touch with the selectmen's secretary who will arrange a meeting with Manuel R. Nunes, highway surveyor to discuss sharing the cost of the signs.

An additional concern was for the rubbish collection -- the association members would like to have two pickups a week in the summer. DeCosta explained the Board of Health handled that question, but noted the town is under contract with an Acushnet firm who comes to Mattapoisett on specific days.

The final problem stemmed from parking on Angelica Avenue and persons coming to the private Crescent Beach. Mrs. McCullough said "We have signs on the beach, but we can't keep the people off the public road." DeCosta said that if the parking became excessive you could call the police.

In other business, Selectmen:

NOTED the final closing date of June 28 on the sale of Grange Hall to Marc Goddu for the price of $35,872.20 ($35,000 sale price plus taxes).

RECEIVED NOTICE from Plymouth County Mosquito Control that residents may call the control at 585-5450, and at no charge a truck will spray their property for mosquitoes.

Ken Ludlam, Superintendent of the Plymouth County Mosquito Control, informed the board that roadside spraying will continue and crews are monitoring breeding sites for larvae.

T-SHIRT & CAP PRESENTED TO HUNTOON

Chairman DeCosta, on behalf of the board, presented fellow selectman James F. Huntoon with a T-Shirt with the words "Selectman" on the front and "Mattapoisett is Special" on the back. This, along with a cap that read "Selectman Huntoon", was given to Huntoon in recognition of his past achievements in local road races and to spur him on in the Mattapoisett annual July 4th Road Race.

Huntoon, who admits to being in his late 40's, has proved himself in good condition and a "good sport -- so now we wish him 'Good Luck'".
